Stock Exchange Road
Karachi, Pakistan

SUBJECT: DISCLOSURE OF MATERIAL INFORMATION

Dear Sir(s),

In accordance with Section 96 of Securities Act, 2015, clause 5.19.13(c) of the PSX Regulations, and Clause 14 (viii) of the Code of Corporate Governance 2019, EMCO Industries Limited ("EMCO", or "we" or "us") hereby conveys the following information:

EMCO Industries, a Public Listed company incorporated in 1954, is the market leader for manufacturing and supply of High Voltage porcelain transmission line insulators, and substation equipment for the Pakistan market, as well as for various export markets.

We are pleased to announce that the Company has successfully certified the design and product performance of its 132kV and 220kV Surge Arrestor / Lightning Arrestor product through Type Testing at an independent accredited High Voltage Laboratory in conformance with international IEC standards, as well as in conformance with the latest NTDC Type Policy.

Surge Arrestors are used to protect the High Voltage system from over-voltage transients caused by External (Lightning) or Internal (Switching) events, and a large number of Surge Arrestor are deployed in each substation for protection purposes. Primary clients for Surge Arrestor are NTDC, DISCOs, EPC contractors, large private industrial clients and extensive export markets.

The introduction of a locally manufactured Surge Arrestor up to the 220kV voltage level, duly type tested and certified from independent accredited laboratories will allow for EMCO as a local Surge Arrestor manufacturer in Pakistan to offer a high quality product at very competitive prices to capture the major market share of this product in Pakistan, and also service the export market.

Yours Truly,
For Emco Industries Limited.

Ahsan Suhail Mannan
Company Secretary
