REPORT & ACCOUNTS

**FOR THE HALF YEAR ENDED
DECEMBER 31, 2011**

Emco Industries Limited

Directors' Report

Dear Shareholders

On behalf of the Board of Directors, I am pleased to present Unaudited financial statement of the Company for the half year ended December 31, 2011.

Sale for the period under review is Rs. 1,019.516 million as compared to Rs.915.004 million. There is considerable improvement in the results as your company has earned post tax profit of Rs. 28.384 million as compared to net loss after tax of Rs.41.646 million in the same period last year. This is mainly attributed to optimal use of available resources and concerted effort of entire management and staff members.

The key highlights of the six months under review and plant wise performance are as under:

Insulator Plant

The operations of the Insulator Plant were optimized during the period under review. The net sale for the period was reduced to Rs. 268.081 Million as compared to the previous period sale of Rs. 357.997 Million. However, the operating profit for the period is Rs.35.345 Million as compared to operating loss of Rs. 4.964 Million in the previous period. The average monthly production has decreased to 323 tons against 403 tons in the corresponding period last year.

Tile Division

The average monthly production of the Tile Division increased to 327,707 Sq. Meters as compared to 259,787 Sq. Meter in the previous period. Similarly the net sales increased from Rs. 557.008 Million to Rs. 751.435 Million and the operating profit of the division increased to Rs. 90.083 Million as compared to operating profit of Rs. 53.534 Million in the corresponding period last year.

Keeping in view the present orders in hand in the Insulator Division as well as the introduction of the new larger size of Tile, the Management anticipates that barring any unforeseen circumstances your Company will Insha Allah be able to show a profit in this current financial year.

The directors are thankful to our valued customers, dealers, financial institutions and other stakeholders for their continued trust. The hard work of all employees is recognized and appreciated.

On behalf of board

AUDITORS' REPORT TO THE MEMBERS ON REVIEW OF INTERIM FINANCIAL INFORMATION

Introduction

We have reviewed the accompanying condensed interim balance sheet of EMCO Industries Limited as at December 31, 2011 and the related condensed interim profit and loss account, condensed interim statement of comprehensive income, condensed interim cash flow statement and condensed interim statement of changes in equity for the half year then ended (here-in-after referred to as the "interim financial information"). Management is responsible for the preparation and presentation of this interim financial information in accordance with approved accounting standards as applicable in Pakistan. Our responsibility is to express a conclusion on this interim financial information based on our review. The figures of the condensed interim profit and loss account for the quarters ended December 31, 2011 and 2010 have not been reviewed, as we are required to review only the cumulative figures for the half year ended December 31, 2011.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review nothing has come to our attention that causes us to believe that the accompanying interim financial information as of and for the half year ended December 31, 2011 is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan.

Emphasis of matter paragraph

We draw attention to note 2.1 to the financial statements which states that the company's ability to continue as a going concern is based on the grounds that the company will be able to achieve satisfactory level of profitability in the future and continued support from sponsors. Management's plan in regard to this matter has been discussed in note 2.1 to the financial statements. Our opinion is not qualified in respect of this matter.

SELECTED NOTES TO CONDENSED INTERIM FINANCIAL INFORMATION (UN-AUDITED)

FOR THE HALF YEAR ENDED DECEMBER 31, 2011

1. **The Company and its operations**

The company is incorporated in Pakistan and listed on Karachi, Lahore and Islamabad Stock Exchanges. The company was incorporated as a Joint Stock Company in Pakistan under the Companies Act, 1913, (now Companies Ordinance 1984) as a private limited company on August 17, 1954 by the name of Electric Equipment Manufacturing Company (Private) Limited. Later it was converted into a public company on August 20, 1983 and its name was changed to EMCO Industries Limited on September 12, 1983. The company was listed on the stock exchange on December 29, 1983. Its registered and head offices are situated at 119 E/I, Hali Road, Gulberg III, Lahore. It is principally engaged in the manufacture and sale of high/low tension electrical porcelain insulators, switchgear and ceramic tiles.
2. **Basis of preparation**

This condensed interim financial information is unaudited and is being submitted to the members in accordance with section 245 of the Companies Ordinance, 1984. It has been prepared in accordance with the requirements of the International Accounting Standard (IAS) 34 - 'Interim Financial Reporting' and provisions of and directives issued under the Companies Ordinance, 1984. In case where requirements differ, the provisions of or directives issued under the Companies Ordinance, 1984 have been followed. The figures for the half year ended December 31, 2011 have, however, been subjected to limited scope review by the auditors as required by the Code of Corporate Governance. This condensed interim financial information does not include all the information required for annual financial statements and therefore, should be read in conjunction with the annual financial statements for the year ended June 30, 2011.

 - 2.1 The company has incurred a profit after taxation of Rs 28.384 million during the six months ended December 31, 2011 while the accumulated loss stands at Rs 405.471 million as at December 31, 2011. Current liabilities exceed current assets by Rs 194.178 million. The company, in order to carry on its business without material curtailment of operations and to meet its current obligations requires improvement in operating margins and increase in sale volumes through increased production quantities which is dependent on availability of uninterrupted gas supply. Continuation of the company as a going concern is dependent on its ability to attain satisfactory level of profitability in future and in the intervening period including continued support from sponsors.

The management of the company is confident that it will be able to meet its obligations and carry on business without any curtailment based on the grounds that the company will be able to achieve satisfactory level of profitability in the future based on the plans drawn up by the management for this purpose, which include continued support from sponsors and increased profitability through higher sale volumes and improved operating margins.

This financial information consequently does not include any adjustments relating to the realization of its assets and liquidation of any liabilities that might be necessary should the company be unable to continue as a going concern.
3. **Significant accounting policies**
 - 3.1 The accounting policies and the methods of computation adopted in the preparation of this condensed interim financial information are the same as those applied in the preparation of preceding annual published financial statements of the company for the year ended June 30, 2011.
 - 3.2 Initial application of standards, amendments or an interpretation to existing standards New and amended standards, and interpretations mandatory for the first time for the financial year beginning on or after July 01, 2011 that are either not relevant to the company's current operations (although they may affect the accounting for future transactions and events) or are not expected to have significant impact on the company's financial statements other than certain additional disclosures:
 - IAS 24 (revised), 'Related Party Disclosures', issued in November 2009. It supersedes IAS 24, 'Related party disclosures', issued in 2003. The revised standard clarifies and simplifies the definition of a related party and removes the requirement for government-related entities to disclose details of all transactions with the government and other government-related entities.
 - Prepayments of a minimum funding requirement' (Amendments to IFRIC 14). The amendments correct an unintended consequence of IFRIC 14, 'IAS 19 – The limit on a defined benefit asset, minimum funding requirements and their interaction'. Without the amendments, entities are not

permitted to recognize as an asset some voluntary prepayments for minimum funding contributions. This was not intended when IFRIC 14 was issued, and the amendments correct the problem. The amendments should be applied retrospectively to the earliest comparative period presented.

- Amendments to IFRS 7, 'Financial instruments: Disclosures' on derecognition is effective from July 1, 2011. These amendments are part of the IASBs comprehensive review of off balance sheet activities. The amendments will promote transparency in the reporting of transfer transactions and improve users' understanding of the risk exposures relating to transfers of financial assets and the effect of those risks on an entity's financial position, particularly those involving securitisation of financial assets.

- IAS 1 (amendments), clarifies that an entity will present an analysis of other comprehensive income for each component of equity, either in the statement of changes in equity or in the notes to the financial statements.

- IAS 34, 'Interim Financial Reporting' (Amendment). Greater emphasis has been placed on the disclosure principles in IAS 34 involving significant events and transactions, including changes to fair value measurements, and the need to update relevant information from the most recent annual report.

3.2.1 Standards, amendments and interpretations to existing standards that are not yet effective and have not been early adopted by the company

The following amendments and interpretations to existing standards have been published and are mandatory for the company's accounting periods beginning on or after January 1, 2012 or later periods, but the company has not early adopted them. They are not expected to have any significant impact on the company's financial statements.

Standards or Interpretations	Effective date (accounting periods beginning on or after)
IFRS 9 - Financial Instruments	January 01, 2013
IFRS 10 - Consolidated Financial Statements	January 01, 2013
IFRS 11 - Joint Arrangements	January 01, 2013
IFRS 12 - Disclosures of Interests in Other Entities	January 01, 2013
IFRS 13 - Fair Value Measurement	January 01, 2013
IAS 19 - Employee Benefits (Amendment)	January 01, 2013
IAS 1 - Financial statement presentation (Amendment)	July 01, 2012
IAS 12 - Income Taxes (Amendment)	January 01, 2012

4. The preparation of the condensed interim financial information requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates. In preparing this condensed interim financial information, the significant judgements made by management in applying accounting policies and key sources of estimation were the same as those that were applied to the financial statements for the year ended June 30, 2011.

5. Financial risk management

5.1 Financial risk factors

The company's activities expose it to a variety of financial risks: market risk (including currency risk, fair value interest rate risk, cash flow interest rate risk and price risk), credit risk and liquidity risk.

The condensed interim financial information does not include all financial risk management information and disclosures required in the annual financial statements, and should be read in conjunction with the company's annual financial statements as at June 30, 2011.

There have been no changes in the risk management department since year end or in any risk management policies.

5.2 Liquidity risk

Compared to year end, there was no material change in the contractual undiscounted cash out flows for financial liabilities.

5.3 Fair value estimation

The carrying amount of trade receivables and payables are assumed to approximate their fair values. The fair value of financial liabilities for disclosure purposes is estimated by discounting the future contractual cash flows at the current market interest rate that is available to the company for similar financial instruments.

The carrying values of all financial assets and liabilities reflected in the financial statements approximate their fair values. Fair value is determined on the basis of objective evidence at each reporting date.

During the period, there were no significant changes in the business or economic circumstances that affect the fair value of the company's financial assets and financial liabilities. Furthermore, there were no reclassifications of financial assets.

- Associated Companies	<u>276,467,343</u>	<u>262,223,666</u>

14. Date of authorization for issue
These financial statements were authorised for issue on February 29, 2012 by the Board of Directors of the company.

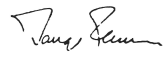

15. Corresponding figures
In order to comply with the requirements of International Accounting Standard 34 - 'Interim Financial Reporting', the condensed interim balance sheet and condensed interim statement of changes in equity have been compared with the balances of annual audited financial statements of preceding financial year, whereas, the condensed interim profit and loss account, condensed interim statement of comprehensive income and condensed interim cash flow statement have been compared with the balances of comparable period of immediately preceding financial year.

Corresponding figures have been rearranged, wherever necessary, for the purposes of comparison. However, no significant re-arrangements have been made during the year except for the following:

	Rupees
Long term security deposits' previously netted off from 'Liabilities against assets subject to finance lease', now reclassified under Liabilities against assets subject to finance lease.	2,806,915

The above figures have been re-arranged as the reclassification made is considered more appropriate for the purposes of presentation.
